## Overview

**Why buy this property: Prime Location in Istanbul's Financial Hub** Located in the heart of Ataşehir, one of Istanbul's most prestigious and fastest-growing districts, the project sits within the city's main financial center. This guarantees continuous demand from professionals, executives, and international tenants. **Government-Backed Security** Developed by Emlak Konut, a trusted government-backed developer, the project offers construction quality, transparency, and strong investment security — a key factor for both local and foreign investors. **High Investment Potential** Ataşehir continues to show strong capital appreciation due to limited land supply and increasing demand. The combination of low-rise boutique concept and central location increases long-term value growth. **Attractive Payment Plan** 50% down payment Installments up to 2 years 1% VAT advantage **Boutique & Exclusive Living** With only 173 units across 3 blocks on 9,000 m<sup>2</sup> of land, the project offers privacy, low density, and spacious layouts — a rare opportunity in central Istanbul. **Premium Lifestyle Amenities**
